

ADVANCED ENERGY CAPITAL

FINANCING SOLUTIONS FOR THE ENERGY INDUSTRY

Advanced Energy Capital (“AEC”) is a specialty finance company dedicated to serving the energy industry.

Our goal is to provide clients with cost efficient finance solutions.

AEC offers :

- Incubator Program for startups
- Credit and Supply Programs
- Cash Advance Program for growth
- Term loans
- Advice for REPs regarding mergers and acquisitions.

OUR MISSION

Assist the industry in its growth and expansion.

\$500+ Million in
Energy Sales Financed

Who can benefit:

- Firms that sell renewable energy
- Energy services companies
- Energy efficiency companies
- Virtually all providers and users of sustainable energy

AEC maintains a strategic alliance with a national energy wholesaler to provide turn-key credit and supply solutions for Retail Energy Providers. We have also developed and implemented a complete protocol of credit products, operational controls and monitoring tools.

Flexible and affordable financing: equity, debt, preferred equity, mezzanine loans or a combination.

165 Remsen Street Second Floor Brooklyn, New York 11201

- **Special Financing Program for Green Offerings**

AEC Cash Advances – Funding available for:

- Launching or expanding marketing efforts
- Acquiring more customers
- Commencing a new advertising campaign or diversifying a marketing strategies
- Buying out a partner
- Funding operations during the slow season
- Paying for or consolidate existing debt

AEC's management team has financed over \$500 million in energy sales and has managed over \$1.3 billion in a variety of direct and indirect lending investment strategies.

AEC recently acquired an ownership interest in Greenbacker Group, parent of the manager of Greenbacker Renewable Energy Corp, a publicly registered vehicle with a \$1.5 billion mandate in renewable energy, energy efficiency and energy storage. AEC now provides affordable financing (equity, debt or both) to REPs offering "green energy" as part of their product mix.
